HIGHLY RECOMMENDED

Narosa Experience - Surf and experience the very best of Donegal. The team of ISA qualified coaches know the local breaks like the back of their hand, and can't wait to show students how to surf!

Surfing is about skills and feels

Students need to feel confident in the water before they develop good surfing technique. We teach ocean safety skills to develop confidence and then build technique in a simple, step-by-step process.

We can take your students on private surfing lessons and tailor them to the group needs, all at beaches near to Wild Atlantic Camp.

COMMUNITY SPACE

Creeslough Community Centre is a popular space for large groups looking to hold indoor activities such as sports, dance and music lessons. The Community Centre is nearby to camp.
